Real Ludo

TOP GAME

Remember how in your childhood you used to play Ludo with friends or family? It was a carefree time filled with joy and fun. It seemed like there was nothing more important in the world than that engaging game. And now, as adults, we often miss those days. But what if we offer you a chance to relive the joy of your beloved game? Whether alone, against the computer, or just like old times, with your loved ones.

Crossy Chicken Run

TOP GAME

Move the chicken across the road, and then across the river, a busy highway, a railway crossing, again across the road, across the river... But what's going on here? It's simple, you have to go as far as possible. Chicken's chances to survive, to be honest, are little, but this shouldn't prevent you from having a good time... Play yourself or with a friend to find out who of you is the most successful and agile. In any case, lots of fun is guaranteed.

Dungeon and Puzzles - Sokoban

Sir Axel got an important task from the king, he must restore order in the dungeons, otherwise it is already difficult to get to the wine cellar because of the supplies scattered around. Move the boxes so that they took their places. The only obstacle is that the supply boxes can only be pushed in front of you, but you can't pull them, they are too heavy. You will find great graphics, incredibly intricate puzzles and many levels, because the king's dungeons are incredibly huge.
